Denis Berzhanin

Marketing student: market research and branding

Looking for a marketing internship. Any format and schedule, can start right away.

How I can help

- Market and audience research: surveys, interviews, takeaways for the team
- Competitor analysis and positioning
- Help with branding and marketing analytics

Experience

Nerovill LLC
Market research and rebranding, a project commissioned by the company
- Ran a survey of ~100 people and 7 in-depth interviews.
- Showed that branding alone can make water from the same well differ in price by more than 2×.
- Presented the rebranding recommendations myself; the client accepted them all.

VTB Bank case championship
Team project
- In three days we built a data model that finds the best ATM locations across Moscow.
- Defended the solution in front of the bank's representatives.

Ya v Dele
Mentor to two teams, youth entrepreneurship programme
- Set tasks and deadlines, guided the projects, prepared reports.
- Both teams took their projects through to the final defence.
