Denis Berzhanin

Marketing student · research & branding

● Looking for a marketing internship · flexible format and schedule

3rd-year student at the Financial University, Marketing track. I start with people: surveys and interviews show why they buy, market data shows how much. From that I build positioning and recommendations that I present and defend to the client.

PROJECT EXPERIENCE

Nerovill LLC
research & branding

Market and consumer research commissioned by the company: a survey of ~100 people and 7 in-depth interviews. Showed, with brand examples, that branding alone can make water from the same well differ in price by more than 2×.

RESULT **Presented the rebranding recommendations — the client accepted them all.**

Aviasales
term paper · 2026

Strategy for a new B2B line: PESTEL, SWOT and portfolio-matrix analysis, communication with corporate clients, a 6-month promotion plan, budget and KPI system.

RESULT **Defended with top marks; the plan is financially justified.**

Figures are scenario estimates; the programme was not launched.

Basic apparel line
term paper · 2025

Based on market analysis and Lime's practices, built a go-to-market model for 5 product categories: target audience, value proposition, range, pricing, sales channels and launch budget.

RESULT **Defended with top marks.**

VTB Bank case championship
team project

In three days our team built a data model covering all of Moscow that identifies the best ATM locations.

RESULT **We defended the solution in front of the bank's representatives.**

Ya v Dele
mentor to two teams

Youth entrepreneurship programme: trained participants, set tasks and deadlines, guided projects and prepared reports. Earlier: participant in the "BEZ TABU" educational project.

RESULT **Both teams took their projects through to the final defence.**
